

Case ID J1000000000000	Patient sex not specified	Diagnosis Breast cancer	Tumor purity not specified	Ordering physician not specified
Patient MRN not specified	Patient DOB not specified	Sample type not specified	Sample collection date not specified	Ordering institution not specified
Patient name not specified	Patient ethnicity not specified	Sample site not specified	Sample receipt date not specified	Ordering institution ID not specified

Report summary

1 clinically significant variant 0 relevant therapies
0 other biomarkers

variant

ERBB2

p.Y772_A775dup

variant	ERBB2 p.Y772_A775dup	VAF 30%	RD 1,000	Tier II-C
no approved therapies				

End of findings section
